To Nordia 2008 exhibitors

### **Soon time to send your exhibits**

It is soon time to send your exhibits to Nordia 2008, and we trust you have by now mounted all your new items and completed the improvements of your exhibits.

Bags for the exhibits are enclosed. As usual, there is one bag for each frame. Forms for mounting of the exhibit are also enclosed. Please complete one form for each frame and attach to the relevant frame bag.

Also enclosed are inventory forms. Please complete in duplicate and enclose for customs handling.

We kindly remind the exhibitors that you yourself are responsible for insurance of the exhibits during transit/transport and for the exhibition period.

We encourage exhibitors to mount their own exhibits. This is possible on Tuesday from 8 a.m. to 10 p.m. and on Wednesday from 8 a.m. to 1 p.m. Dismounting of exhibits on Sunday from 3 p.m. Please take this into account when booking flights and accommodation!

Exhibitors from Denmark, Finland, Iceland and Sweden:

You are kindly asked to send your exhibit to your commissioner within the deadline set by him, or to bring it personally to Stavanger. Please do not send to us by mail (unless by written agreement).

Exhibitors from outside Scandinavia:

Please clarify with your club representative whether there is a common transport of exhibits to Nordia. Exhibits that are not handed in personally or through the club representative should preferably be sent by mail. They should reach the exhibition no later than 20 October. Personal delivery of exhibits can take place until 22 October at 1300 hours.

Please visit our website for information about accommodation, events, programme etc.

Greetings from Stavanger  
for Nordia 2008
